Domain

BEAUTY THERAPY

Title:

Apply special make-up

Level: 4

Credits: 6

Purpose

This unit standard is intended for those who apply special make-up. People credited with this unit standard are able to select products, tools and equipment; prepare the client for special make-up; perform special effects make-up and provide after care advice for special effects make-up services.

This unit standard is intended for those who work as beauty therapists.

Special Notes

1. Entry information:
Prerequisite
 - Unit 1157 - *Demonstrate basic knowledge of workplace health and safety*
2. Assessment evidence may be collected from a real workplace or a stimulated workplace or an appropriate simulated environment in which beauty therapy services are carried out.
3. All inspection, operation and maintenance procedures associated with the use of tools and equipment shall comply with manufacturers' specifications and/or workplace guidelines and instructions.
4. Glossary of terms:
 - '*Sterilization*' refers to a process of disinfecting tools and equipment.
 - '*Gowning/Draping*' refers to as covering or wrapping the client.
5. Regulations and legislation relevant to this unit standard include the following:
 - Labour Act, No. 11, 2007
 - Occupational Health and Safety Regulations No. 18, 1997 and all subsequent amendments.
6. Performance of all elements in this unit standard must comply with industry standards.
7. This unit standard applies to all beauty therapists and range of people from different social, cultural or ethnic background.

Quality Assurance Requirements

This unit standard and others within this subfield may be awarded by institutions which meet the accreditation requirements set by the Namibia Qualifications Authority and the Namibia Training Authority and which comply with the national assessment and moderation requirements. Details of specific accreditation requirements and the national assessment arrangements are available from the Namibia Qualifications Authority and the Namibia Training Authority. All approved unit standards, qualifications and national assessment arrangements are available on the Namibia Training Authority website www.nta.com.na.
