JOINERY AND CABINET MAKING
Renovate timber products

Credits: 3

Purpose

This unit standard specifies the competencies required to renovate timber products. This includes identifying defects and damages, and restoring timber products.

This unit standard is intended for those who work as joiners and cabinet makers.

Special Notes

1. Entry information:

Prerequisite:

- 1157-*Demonstrate basic knowledge of workplace health and safety or demonstrated equivalent knowledge and skills.*

2. To demonstrate competence, at a minimum, evidence is required of selecting and applying different renovation and restoration methods on products selected from furniture, windows, doors and panelling.

3. Renovation and restoration methods and processes are applied to furniture, windows, doors and panelling.

4. Finishing processes may include but not limited to staining, bleaching, varnishing, waxing, applying lacquer and oiling.

5. Assessment evidence may be collected from a real or simulated workplace in which joinery and cabinet making operations are carried out.

6. All inspection, operation and maintenance procedures associated with the use of tools and equipment shall comply with manufacturers' and company guidelines, instructions, and reasonable flat rate time.

7. Regulations and legislation relevant to this unit standard include the following:

- Labour Act No 11, 2007 as amended;
- SABS 0400, NOSA, Local Authorities Act;
- Occupational Health and Safety Regulations No. 18, 1997 and all subsequent amendments.

Quality Assurance Requirements

This unit standard and others within this subfield may be awarded by institutions which meet the accreditation requirements set by the Namibia Qualifications

Authority and the Namibia Training Authority and which comply with the national assessment and moderation requirements. Details of specific accreditation requirements and the national assessment arrangements are available from the Namibia Qualifications Authority on www.namqa.org and the Namibia Training Authority on www.nta.com.na.
